# VOLUNTEER APPLICATION FORM

## Acceptance of Terms

A World Aware/SA is a non profit organisation that does not discriminate against participation due to age, race, color, sex, religion or national origin.

The purpose of this volunteer application is to ensure that the appropriate volunteers are recruited for the appropriate projects. The screening process therefore is used to answer two questions: i) Is the volunteer suitable for the project? And ii) Is the project suitable for the volunteer? (Will it meet their expectations?)

AWA/SA requires all volunteers to attend an orientation meeting prior to being assigned to projects. Additionally, as needed AWA/SA may have training sessions prior to projects so that the objectives of the projects can be thoroughly explained. These sessions may be mandatory. Additionally, due to the nature of the groups AWA/SA works with, it may be necessary for volunteers to submit to background checks as stipulated by our partners.

Please note that by nature a volunteer organisation does not pay anyone to participate. As an AWA/SA volunteer you will need to provide your own transport and associated costs for meals, and lodging, and shared costs for project etc. while volunteering with AWA/SA. AWA/SA does not raise funds for any volunteer reimbursements. Further, all provided resources necessary for projects e.g. tools, manuals etc. remain the property of AWA/SA.

Volunteers participate at their own risk and agree that AWA/SA will not be liable for any damages as a result of participation, including physical and/or economic. By signing below you assert you understand all the requirements of this document, that all statements given are truthful and that you will not hold AWA/SA accountable for any injuries or loss with or because of your participation with AWA/SA projects or events.

In the case of a minor age person submitting this application a legal parent or guardians signature is required and by signing accepts all terms and conditions in this application.
